Chapter 40 Holiday <I>

キキキ
It wouldn't be strange to be arrested after being caught in the act
In your case, it's the number of witnesses plus
The fact that one of them was a policeman. That was big.
Now
Please open the door

You were lucky

Shiki-san
Please sit down somewhere and stay there

The food, while I was at the hospital ...
I was wondering if it spoiled

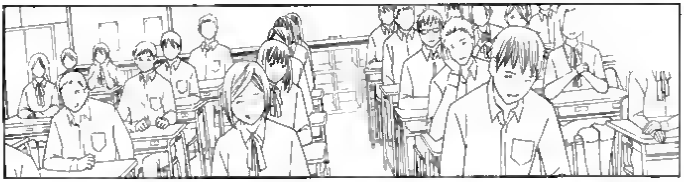
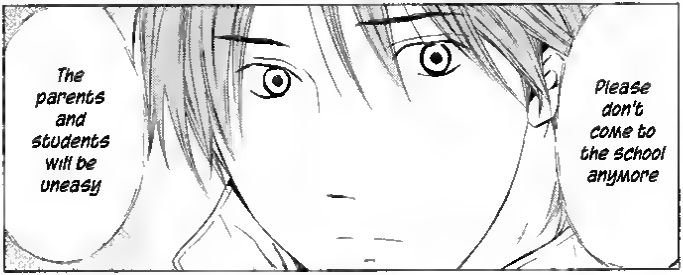
Don't think about giving yourself up
Or Ei will get caught as well

Even if I give myself up, it's not like the fact that I killed someone will be erased
It's only that my sister will die
Is something wrong?
No ...
That box cutter ...
It's really old
I didn't know I still had it
... Huuuh
By the way, Shiki-san
We're now going to search your things at work
Will you come along?

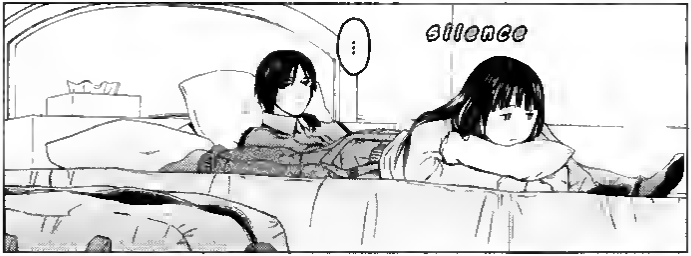




The parents and students will be uneasy
Please don't come to the school anymore

No
It's Fine

Say, Sensei's been discharged from the hospital already, right?



...
Silence

...
I wonder when we can go to see him?

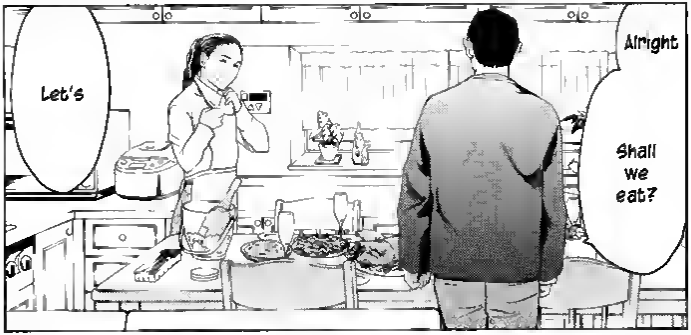
.....
.....
Huh?
Alright
Let's go!!
Uwa-aaah

Uwaah, so many people!!
Merry Christmas
Merry Christmas
Merry Christmas

I... Is this usual on Christmas?
There are always about this many
Amazing
It's so different from the area around Sensei's house
Because that's a residential area
Where's the place that sells glasses?
Don't overdo it
It'll be alright!! Let's go!!
Don't get lost
Y... Yeah
Should we buy new glasses?
The current pair is beyond repair

Ah
Mom?
Merry Christmas
Yes
It doesn't look like I can stop by this year
I'm sorry
I'm on patrol right now
If I can come home around New Year
I will
Yes
Bye
BEEP
How's Mikako?

A detective's job shouldn't be taken lightly
She said she can't come today
I see



Let's
Alright
Shall we eat?

We've already celebrated Christmas Eve, so I'm good
I can't
I mustn't mess around after making a terrible mistake
What about you, Kodama-san?
It would be alright for a bit
Are you sure?

How about you email him?

I wonder what Hosaka-san is doing

Are you Hosaka-san's husband by any chance?
!
I am, but ...
... How?
Well, I've heard the story from your wife
So I guessed
We had the Christmas Mass today
Your wife wanted to be here with you very much
Next time, please come together by all means
It's alright for my wife
But I don't need this
The church
Or God's guidance...
Or forgiveness...
Hosaka-san
It's your forgive-ness that your wife wants

In the church, she prays that you forgive her
Please come to the church with her by all means
If your wife believes that you've forgiven, I'm sure she'll feel more at peace
And so I'll be waiting for you any time
Good night
.....

No
I mean ...
Nothing to tie him to the victim

Did you find anything?

Shiki's house was really clean
Yeah

This just feels weird
The victim is the assai-lant
The assai-lant is the victim
Well, after looking at both their houses, you can tell at a glance which one's nuts
Yeah

Supposedly, Suzuki asked Shiki "Was it you who killed my wife and child?"
That's what I heard
Why did Suzuki think that Shiki was the perpetrator?
Because he was nuts?

I'm not sure if the prosecution will buy that
Let's look some more
If he really was crazy
Look for something to prove that he was crazy
Yeees

Going back for now?
Yeah
Then can you give me a ride to my place?
Sure

I said
I attacked him because I was hired for money ...
That my sister is sick and that I needed it for her treatment
How did Suzuki react at that time?
He ...
Didn't react at all
Kuzumi ... Did anything happen?
No
I just got a bit concerned
I'll be in touch
They'll be watching you
I think it'll be over in two weeks. Don't make any moves until then.
The unfamiliar car in the parking lot of the building diagonally across from the front of your apartment has detectives in it
The school is closed for winter break, so I don't have to go anywhere anyway
I see. Alright, I'll talk to you later.

Where do you get these donut boxes?
What about the contents?

By the way
How is Shiki-san's wound?
He was stabbed, wasn't he?

He's doing well
I see
I'm glad. I can count on him next time again.
Here

.....
Shiki can't move for now
The police are watching him closely
Oh my
That's a problem
But if you decline
There might not be another job...
If that happens, it will really be depressing for Shiki-san
Will you
Accept it with just you and Makihara-kun this time?

Is there a problem?
That's a scary face

.....
There's no one else
Is there anyone else besides us
That you employ as a hitman?

Finding executors is a lot of trouble
And if there are no executors I won't make any money as a liaison either
Hey
I'll have to look for someone else
So if you decline your job
Have you looked for any executors before us as well?

Yahagi-san came here every day
With subordinates

Is this really true?
Those subordinates
What kind of people were they?
Can you look at some photos?

This one was with him often into the night
Did he get killed too?
No
Any others?
Anyone who came here with Yahagi-san?
Also
This one and this one were here a few times
And then also ...

This boy was here recently
R...
Really?
Yes
I was wondering what such a young and cute-looking boy was doing with yakuza
So I remember him well
Umm
At that time
Was there anyone else here?
Let's see
It was in the afternoon ...
Probably
As soon as I noticed a cute-looking boy coming in, he headed to Yahagi-san's table

トン
This one
The people who were here then were probably Yahagi-san and
They knew each other's faces
Makihara-san and Yahagi-san and Maeda knew each other!!
So Makihara-san lied when he said he didn't know any Shuueikai people

I have to tell Hosaka-san!!
Itou-san
You'd better not
Eh?
Why?
Hosaka-san said he'd continue investigating even after transfer...
That's not a good thing
It's not police work anymore, it's just a personal grudge
Hosaka-san was taken off this case
When I look at the effort he put into it
I think it's a good thing that he was taken off

Given that Makihara and Maeda knew each other
The possibility that they were accomplices also arises
Then what should I do from now on?
.....
Alright ?
I'll tell the section chief myself
You can't tell this to anyone but me and the section chief
This information is very important
Itou-san
Let's investigate Makihara

The next target is

These two

If you decline even once, I can't guarantee that you'll get another job
Will you listen to the explanation?
What will you do?
They're a criminal couple
That's right
Two people?

Chapter 42
Holiday <III>

They're operating a metal-working factory in Nerima that they inherited from their father
They've accumulated a lot of debt due to lack of profit over the past 10 years
That's when they laid their eyes on employees' insurance payouts
An employee of theirs died at work 7 years ago
The company received a sizable insurance payout
In the following 7 years, two more employees
Died in traffic accidents and such
The company received an insurance payout in each case
The police investigated, but
They didn't find any evidence that the Iwashita couple had something to do with those accidents
Please kill them both while making it look like a family suicide due to their debt burden

Insurance money again, huh...
The previous target was the same
!
Is your information source an insurance agent?
.....
I don't know
But it's possible
Your payment will be double since you have two targets
Why...
Did I end up coming here?

I knew it would be a commis-sion for murder
I didn't join these guys because I wanted to
But I'm not one of their gang
And yet ...
Thank you, Ei-kun
Kill a woman!?

Shiki is under investigation now and can't move
Am I supposed to do the deed together with this guy!?
.....
.....
Did you say something?
There are women criminals too
It's not something to worry about
Even if she's a criminal
Killing a woman is...
I have one condition

It's difficult to make it look like a suicide for both of them
I want to make them both disappear to reduce the risk
Please hire professional body disposal
.....
Disposal is expensive. It'll take half of your payment.
I know
But I don't mind
.....
I'll ask the coordinator
I'll go make the call, so please wait

.....
I hate it
Killing a woman ...
Killing a person, I hate it
When I killed Maeda... Why was I able to do it...?
It's not something that's easy to do

What should I do?
.....
He's still 20
He doesn't need to become a hitman
Shiki would probably accept this job
Don't go on the job, study, and go to college
The coordinator
Okayed this condition
What would Shiki do!?
Shiki would

Forget about this conversation

Wh...
What?
I had a feeling that our employer wouldn't give us the job unless we had two people
So I called you just to increase our number
.....
We don't have specific instructions
As for when we're supposed to kill them
It should be alright after the investigation of Shiki ends
There's something I want to look into, so this is perfect

Wai...
What the hell!
.....
We took the job, what about it?

.....
Shit!

You called me because you didn't think I'd refuse?
Does he see through me?
Is he testing me...?
.....
Makihara-san, what's with your injuries?
Is this the time for it...?
.....

Maki-hara
How is Itsuki doing?

She's fine
I see
Thanks for taking care of her
But it's alright now. I'll look after Itsuki.
I'll pick her up tomorrow

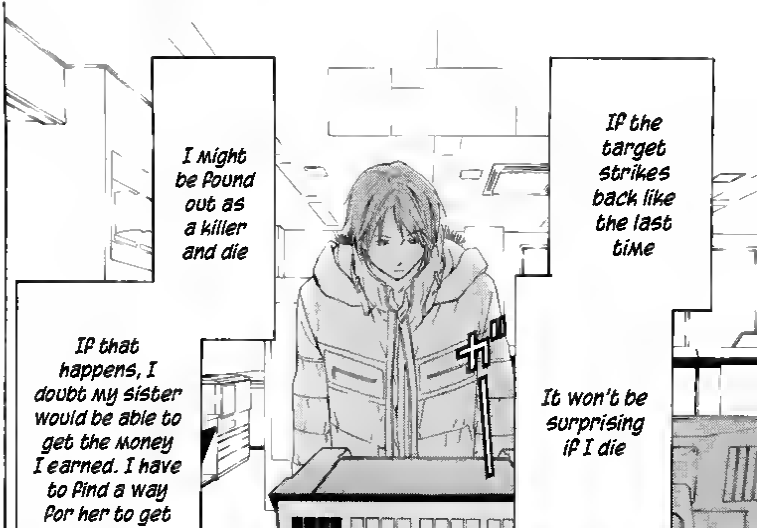
Hey hey

I need to prepare well



I might be found out as a killer and die
If the target strikes back like the last time
If that happens, I doubt my sister would be able to get the money I earned. I have to find a way for her to get the money for treatment.
It won't be surprising if I die

And then Itsuki as well
It's winter break now anyway, so I have time
Create an environment until that time
A plan for when it comes to crunch time
Itsuki hasn't received any education since she was 8

How are you going to give the study materials to Ei
While the detectives are watching you?

Chapter 46 Truth <II>

I can't calm down
It's my first time in a church
No one's coming up to me
I'd probably better go and ask

!
Excuse me
...
E...

Are you a worship-per?
No
I'm not
Uh..
Are you a worship-per?
No
I'm not
My wife comes here
So I just wanted to see what kind of a place this is
But it's no use
I just can't calm down in a place like this

Even though I didn't want anyone to see my face...
.....
Haha
I can't calm down
Me neither ...
.....

There should be people who would
Calm down in such a place, right?
Certainly
It's quiet and beautiful

That's true
Oh
Good afternoon, Hosaka-san
Welcome
Thank you
キィ
!
!

Good afternoon
Ah
Umm
You're the one who called about a donation?
I see
Then let's talk inside
This way
.....
Y... Yes
Hosaka-san
I'm sorry, after you finally came
I have to...
No
I just came to see what kind of a place this is
I'm leaving already
Please, take your time
No, I'm good
Good-bye

Bow
Nice meeting you
Bow

You're anony-mous, right?
Yes
Please, this way
Ah
Yes
Why did you come to our church?
I found you online
But I'm sure there were other
Places that do these types of activities
A church seemed...
Like a place that would keep a secret better...
I see
How should I address you?

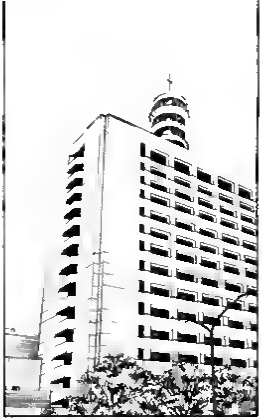
Anything is fine ...
Then
Since you came here at the end of the year
How about Kure-san?
There are many anonymous donors
I often can't remember all the aliases
Then ...
Alright

TL NOTE KURE = END OF A YEAR

I can't ...
Tell you much
I would like to anonymously pay for the medical expenses of a certain person
It also needs to be concealed from that person that an individual is paying for them
It's possible if you
However, Donate a little to the church as well

We'll protect your secret
Something ... Like a commission, huh
Let's do this
I under-stand
...
And everything was settled
Two more things to do before the next job
Well... Two more things

It's Shiki ...
—Yeah
...Yes
I was wondering if you and I and Itsuki could spend the New Year together
—Or more like... I'd like you to keep Itsuki company
I'll be out on business until late at night
.....
I'll prepare food and drinks...
Also... There's something I want... to give you



Itou-san
Yes?
Ah, Kuzumi-san
Are you going back now?
Yes
What about you, Itou-san?

I submitted my report
EXIT

Yes
For the stake-out?

Even though Hosaka-san went to a local police station
It seems he's still pursuing the Shuueikai case
ウィィー
!
Did you hear anything?

It seems Hosaka-san goes to meet Makihara-san every day
Every day...

No, not much

Because of me... the mistake I made...

You're a newbie, so you're not to blame for anything
We are the ones responsible
IF only I called for more manpower from the First Section ...
Kuzumi-san...
CHING
Ah My floor
Yes

Umm
Thank you very much
No problem
If there's anything troubling you
Please talk to me any time
Bow
See you ...
Yes
Please excuse me!!
Yes!
Thank you very much!!

Chapter 47 Truth <III>

I thought I wanted
To stay in the light forever
.....
I'm not sure I can do it
...But I have to for my family
I heard from Kuzumi that you got pulled into the meeting
I'm sorry that you had to see something so unpleasant ...

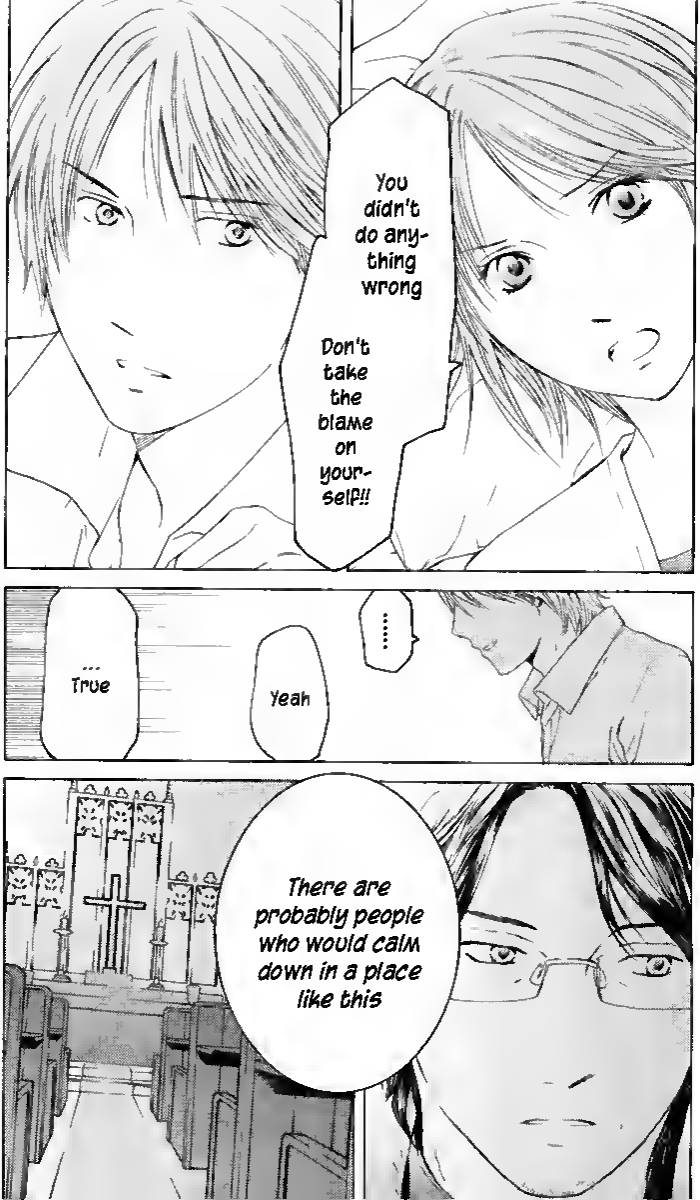
Come over for New Year's Eve
I'll have New Year soba, and holiday snacks too
What would you like for dinner? I'll make what you want
Make whatever you like!
I'll call Itsuki when I leave the net cafe and head for your place!

I think you can do it, Sensei

It'll be a breakdown of morals
Before you know it
I'm sure
After all, you killed me

You'll make holiday snacks —!?
ラー!!
Well
The doctor will get Mad ...
Bring some over ～～～
I want some
Uw-aa-ah
How nice

Uuuh
I want to eat something with a strong taste ...
Once you get well, okay—?
Then you can eat it
Say
Yukitaka
How's school going?
I'M thinking of quitting that school
Why!?



You didn't do anything wrong
Don't take the blame on yourself!!
.....
Yeah
...True
There are probably people who would calm down in a place like this

There's no way I can calm down in church or at school ...
Ah
Shiki-san
!
Hello
Good timing
I was going to call you
Yeah?
We received a proposal
From a certain Christian church foundation
To assist with your sister's medical expenses
IP you'd like
Here's all the relevant paperwork
.....
Quick reac-tion
Is that really so?
Ama-zing ...
Thank you...
Are there any proce-dures to follow?
It looks like the paperwork needs to be signed
Let's talk over here

The death penalty is being abolished all over the world
Due to concerns about false convictions
We take money to kill people
We were told that the targets would only be wrongdoers, but
Even if a target were identified as a wrongdoer by mistake
In the end, a commission is a commission
It's all the same, there's no choice but to do it
We are not allies of justice
What we do is simply murder
It bothers Ei-kun...
Itsuki as well, probably ...

I thought so
Ah
Sensei
Welcome home
Sensei—
You bought a lot—
It's to prepare for New Year's Eve
What would you like for the snacks, the New Year soba, and the dinner?
Ah... Ei-kun will be coming as well
Itsuki
She's really worried ...
Ei-kun ...
Yay

.....
There's something...
You want to say, right?
If there is, I want you to say it
Sensei
The target woman ...
I...
Can't think of that woman as someone bad...
I wonder if I can check her again
If you take me along... If I touch her again, maybe I'll see something...
Yes ...

I can't take you because it's too dangerous
Don't worry
We'll try everything possible with Kuzumi
We'll make sure that we can determine if the target is a bad person or not
Please believe me
.....

It'll be alright

.....
I got it...

Itsuki probably can't yet understand that
This is simply a terrible job
Haha
That will make it like an athletic meet bento
Kara-age!!
Mmm-err-
Mmm-err-
Itsuki
What should I put here?
Once she under-stands it
I pity her
Sensei!! It's for the sake of justice!!

I'm so happy about the snacks
I can't turn back anymore
Long ago when mother was with us, she used to make them

I was happy about
Athletic meet bento as well
I can only press forward

I'm the worst murdering monster

Snacks!!

Sensei, this is amazing —!!
Well, I just cut up some fish paste and such and put it in...
The rest are just sides and boiled dishes that are prettier than usual
There are some boiled things left over, so you can eat them
Ei-kun said he'll give you a call when he heads this way
Wait until the morning with the snacks

Nabe is already all prepared
Once Ei-kun gets here, heat it up and eat
The sashimi are in the fridge, don't forget to take them out
See you
I'll get going
……
ガチャ
……

……
バタン

ガラ
ガコ
ゴオオオ

I've prepared some anesthesia for this time
We'll immobilize both targets with these
And search their house
We'll investigate thoroughly if the woman is an accomplice
If we can't figure it out from searching the house
We'll separate the two and question them
We'll be wearing masks just in case
.....
Kuzumi
What if it turns out she wasn't an accomplice
What are we going to do?
Let her go?
.....

After we clean up, we'll call the body disposal pros who'll be on standby
ゴオオオ
Even if there's one corpse, if we pay for two
Those guys will probably overlook it
Kuzumi
Even if she's innocent, do you think she won't go to the police and stay quiet?
We'll separate her from the husband just for that
We'll make her think that her husband is alive
If she doesn't want her husband to get killed, she should do what we tell her
Kuzumi
It's impossible
I don't
Think that something like that will go well
Kuzumi
...

I thought someone like you would rush into it without much thought ...
.....
Even I don't want to kill women or children
In the end, I couldn't
Kill either Itsuki or Makihara

I want to check about the targets
There's something
Besides, there's something that bothers me
I still want to search the house and question them
Whatever the result may be

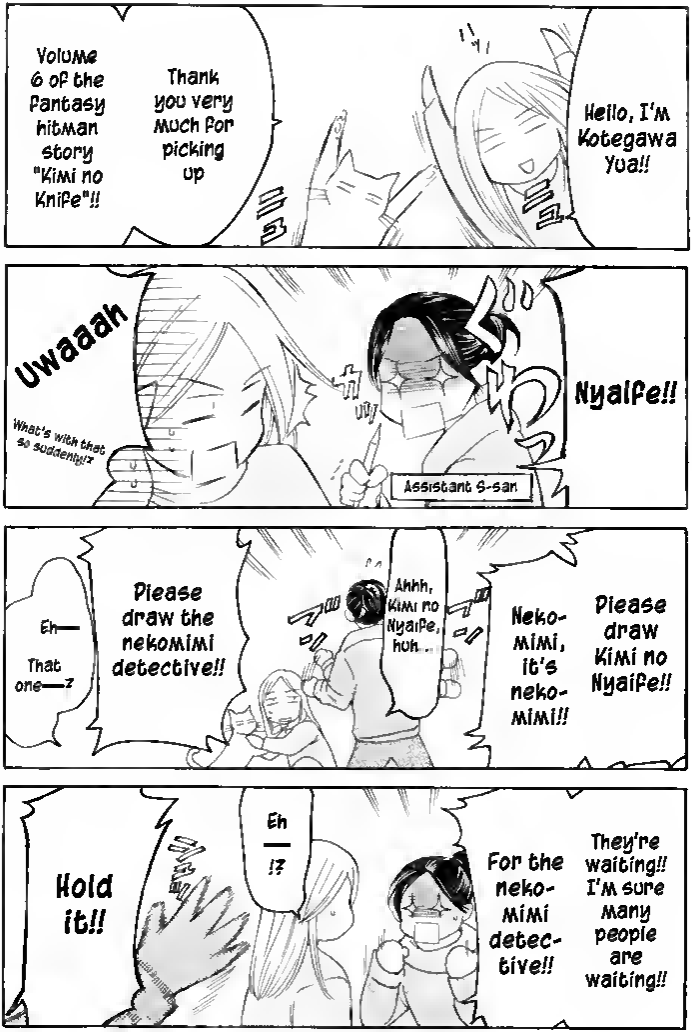
I want you to go along with this plan
Shiki
In the past ...I thought I wanted to know everything about people I killed

But now, I don't
Whether they're innocent or not...
コオオオ
What should I do...?

This year too
Is ending already
I visited
That church
The one you go to, Mami
.....
That priest, or reverend, or whatever
I thought there was something spooky about him...
There was a young man in the church who gave me good vibes
He wasn't a worshipper
But he wanted to donate to the church. So young... yet admirable

.....
That young man...
I've seen him somewhere
I have that feeling ...
Ah
He came out
Where's he going
On New Year's Eve?
Itou-san, you drive
I'll tail him on foot
Yes
ガチャ

Ei-kun?
Yes
Yeah
I'm on my way
I think it'll be a 15 minute walk for me to get there



Hello, I'm Kotegawa Yua!!
